I live in the US and yes we take that seriously here.

For the last several years, I’ve been spending over $100 a month on new and used books from Amazon.

For the last several years, I’ve been spending over $100 a month on new and used books from Amazon.

When I finally sit down with him, I confess, he makes me nervous: he is skittish, intense, he rarely smiles and he has a stare that can shrivel souls.

However, only one-third of essential medicines are available at all in PHFs, and are frequently out of stock.

Sometimes, an adapt called a curette is conditioned defecate all and sundry immutable wool that bit the clitoris.
